Dear Parent/Guardian:

The *Every Student Succeeds Act (ESSA)* was passed by the U.S. Congress late last year and signed into law on December 10, 2015. The *ESSA* replaces the *No Child Left Behind Act (NCLB)* and is the latest reauthorization of the *Elementary and Secondary Education Act (ESEA)*.

Although *NCLB* was designed to make changes in teaching and learning in order to increase students' academic achievement, the Highly Qualified Teacher (HQT) provision under *NCLB* was eliminated from the *ESSA*. Despite this fact, all educators in Mississippi still are required to hold the appropriate state certificate/license for their given position.

Under the *ESSA*, all schools receiving Title I funds must inform parents of their right to ask schools about the professional qualifications of their child's teachers and paraprofessionals. Our school receives Title I funding and we are happy to share this information with you upon your request.

Mississippi has some of the most qualified teachers in the country, and we are extremely proud of the quality of the teaching staff in the Pearl Public School District. All our regular teachers have college degrees and many have advanced degrees. In addition, every teacher continues learning through professional development activities and our teachers are evaluated each year to make sure their teaching skills remain at the highest possible level.

I encourage you to support your child's education and communicate with your child's teacher(s) on a regular basis. For more information on *ESSA*, and the role of parents, please visit the United States Department of Education's (USDE) website at <http://www.ed.gov/essa>.

If you have any questions or would like to make a request, please contact the Office of Federal Programs Director at 601-933-2461. Your information will be taken and a written response will be provided within two weeks.

Thank you for your continuous support of your child's education.

Sincerely,

Janice Dukes
