

STOP CARES ACT FRAUD

Theft of CARES Act funding
for schools robs our students.

Be on the lookout for signs of fraud, waste, and abuse:

- Financial conflicts of interest
- Suspicious or unverifiable vendors
- Missing school property or records
- Defective or low-quality products and services
- Irregularities in contract awards or procedures
- Nonexistent students

If you think something is amiss, it may well be. Report your suspicions to the Office of Inspector General and we'll evaluate for fraud, waste, and abuse!

We can provide confidentiality.

**IF YOU SUSPECT ANY WRONGDOING,
